The Epic

Extraordinary heroes and hideous monsters. Brutal battles and dangerous voyages. Spectacular triumphs and crushing defeats. The epic tradition, still very much alive in today’s movies and novels, began thousands of years ago with the orally told epic poem. In ancient Greece, listeners crowded around poet-storytellers to hear about the daring exploits of a hero named Odysseus. With its storm-tossed seas, powerful evildoers, and narrow escapes, it’s no wonder that Homer’s Odyssey remains one of most famous epics in Western literature. It captivates us because it is a compelling narrative and a window into a time and place quite different from our own.

Part 1: Characteristics of the Epic

MODEL: CHARACTERISTICS OF THE EPIC

Here, the Greek (Achaean) king Menelaus is speaking to his wife, Helen. He recalls the moment when he and Odysseus hid with their fellow soldiers inside a giant wooden horse, waiting to attack the Trojans. Formerly a Trojan herself, Helen stood outside the horse and called to the soldiers inside, mimicking the voices of their wives. As you read, notice the characteristics of an epic that are revealed.

from BOOK 4: The Red-Haired King and His Lady

“In my life I have met, in many countries, foresight and wit in many first rate men, but never have I seen one like Odysseus for steadiness and a stout heart. Here, for instance, is what he did—had the cold nerve to do—inside the hollow horse, where we were waiting, picked men all of us, for the Trojan slaughter, when all of a sudden, you came by—I dare say drawn by some superhuman power that planned an exploit for the Trojans; and Deiphobus, that handsome man, came with you. Three times you walked around it, patting it everywhere, and called by name the flower of our fighters, making your voice sound like their wives, calling. Diomedes and I crouched in the center along with Odysseus; we could hear you plainly; and listening, we two were swept by waves of longing—to reply, or go. Odysseus fought us down, despite our craving, and all the Achaeans kept their lips shut tight, all but Anticlus. Desire moved his throat to hail you, but Odysseus’ great hands clamped over his jaws, and held. So he saved us all, till Pallas Athena led you away at last.”
